

Amend **CSSB 1** (House Committee Printing) in Article I of the bill, on page I-50 by adding the following Rider No. 12:

"The State Auditor shall examine the operations and expenditures of the Texas Enterprise Fund and prepare and issue a report to the 80th Legislature not later than October 1, 2006. The report shall detail all the expenditures, contracts and agreements made with or under this fund prior to September 1, 2006. The report shall detail the number of jobs created by the corporation with whom a contract or agreement is made, the expenditure per job, the average salary or wage per job created in the State by the corporation receiving funds from the Texas Enterprise Fund, the net gain to state and local tax revenue, the projected net gain to state and local tax revenue for the next five years, the number of jobs which the corporation has or is projected to establish in a foreign state or country, and a cost-benefit analysis."
