

Amend **CSSB 1** in Article I of the bill by adding the following appropriately numbered rider following the appropriations to the Trusteed Programs within the Office of the Governor:

\_\_\_\_\_. Out of the funds appropriated above in Strategy A.1.8, Texas Enterprise Fund, \$15 million in state fiscal year 2006 and \$15 million in state fiscal year 2007 may be used only for grants to finance research involving the derivation and use of human embryonic stem cells, human embryonic germ cells, and human adult stem cells, including somatic cell nuclear transplantation. The research must be conducted with full consideration for the ethical and medical implications of the research.
