

Amend **CSSB 1**, on Page II-63, Department of State Health Services, by adding a new section as follows and renumbering any remaining sections accordingly:

"Sec.____. A provider receiving a grant of funds appropriated by this Act from federal funds for family planning services shall comply with the Family Planning Policy Manual for federal Titles X and XX promulgated pursuant to general law. The Department shall ensure compliance with the policy manual before disbursing any funds appropriated by this Act to a provider."
