"Sec.____. Out of the funds appropriated above, the Commission shall submit necessary application for waiver to the Centers for Medicare and Medicaid Services no later than December 31, 2005 for a five-year demonstration project through the medical assistance program under general law to expand access to preventative health and family planning services for adult women, between the ages of 18-64, who are living at or below 185 percent of the federal poverty level. It is the intent of the Legislature that any waiver obtained by the Commission shall not be used to provide abortion services or require appropriations of general revenue that exceed the cost savings to be realized by the waiver in the first two years of implementation and in future biennia."
