

Amend Amendment No. 66 to **CSSB 1** by Isett (page 69, prefiled amendments packet) by adding the following immediately after "42 U.S.C. Section 604a.":

In addition, the legislature intends that state money appropriated by this Act will not be obligated for a contract with a nongovernmental entity to provide direct or indirect social services unless the contract provides the following conditions:

(1) the timeline and schedule for any project or purpose related to the contract remains unchanged;

(2) any anticipated savings to result from entering into the contract must be undiminished;

(3) this state's investment in any asset, including intellectual property, that is a subject of the contract must be protected and the asset and service-oriented architecture must be employed during performance as required by criteria stated in a request for proposals related to the contract; and

(4) no function that the contract specifies the contractor is to perform will be performed by this state unless the relevant state agency has agreed to assume that function after conducting a full analysis of the costs to the state of assuming the function.
