Committee Report (Unamended)

BACKGROUND AND PURPOSE

In May 2000, the Houston Community College System added the Missouri City municipality into its jurisdiction through a municipal election. Currently, Texas law does not place Missouri City, which is within Fort Bend Independent School District, within a community college district. As proposed, H.B. 1931 includes the part of the Fort Bend Independent School District that is within the Missouri City municipality in the Houston Community College System District service area.

RULEMAKING AUTHORITY

It is the committee's opinion that this bill does not expressly grant any additional rulemaking authority to a state officer, department, agency, or institution.
