

## **BILL ANALYSIS**

C.S.H.B. 2243  
By: Jackson, Jim  
Licensing & Administrative Procedures  
Committee Report (Substituted)

### **BACKGROUND AND PURPOSE**

During the 78(R) Session, legislation was passed that regulated locksmiths in Texas for the first time. The purpose of the legislation was to protect the public from unscrupulous locksmiths by ensuring that locksmiths undergo criminal background checks and become subject to statutory regulations and the Department of Public Safety and other law enforcement oversight.

C.S.H.B. 2243 corrects two drafting errors from the previous legislative session and harmonizes the statutory language with current Department rules. It also requires that a government issued form of identification be shown during the process of using a locksmith.

### **RULEMAKING AUTHORITY**

It is the committee's opinion that this bill does not expressly grant any additional rulemaking authority to a state officer, department, agency, or institution.
