AUTHOR'S/SPONSOR'S STATEMENT OF INTENT

Currently, Chapter 375, Government Code, governing municipal management districts (MUDs), exempts single-family detached dwellings, duplexes, triplexes, and quadraplexes from property tax assessments. However, the legislation creating the Greater Greenspoint Management District (district) in Harris County did not specify that single-family dwellings exempted from property tax assessment must be attached, and in addition to the other residential properties, exempted condominiums.

Since the creation of the district in 1991, there has been a large increase in the number of condominiums and the district has become overburdened in providing services to the condominium residents, though it does not receive revenue from assessments of those properties.

H.B. 3528 amends the district's authorizing legislation to mirror the general law under which MUDs are created, and allows the district to assess district taxes on condominiums in the district.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
