S.B. 179

Committee Report (Unamended)

### **BACKGROUND AND PURPOSE**

In 2001 the 77th Legislature, Regular Session, amended the judicial retirement law, effective January 1, 2002, so that a judge whose last years of service were served as a visiting judge, and who retires within one year of that service, may obtain the same 10 percent increase in retirement pay, from 50 to 60 percent, as a judge who retires within one year of the end of elected service. However, a 2002 attorney general opinion declared that the 2001 amendments apply only to those visiting judges who retired after January 1, 2002, the effective date of the Act.

S.B. 179 extends the 10 percent retirement pay increase to the approximately 29 former visiting judges who retired before January 1, 2002, within one year of their last date of service as a visiting judge.
