

## **BILL ANALYSIS**

S.B. 264  
By: Williams  
County Affairs  
Committee Report (Unamended)

### **BACKGROUND AND PURPOSE**

Chapter 258, Acts of the 65th Legislature, Regular Session, 1977, created the Montgomery County Hospital District (district) and authorized the district to issue bonds payable from the taxes of the district and bonds payable by the district's revenue. The enabling legislation specifies that the district must hold an election authorizing bonds payable from taxes. However, it is unclear if an election is required to authorize revenue bonds. As proposed, S.B. 264 provides consistency and clarifies that the district must hold an election to approve revenue bonds.

### **RULEMAKING AUTHORITY**

It is the committee's opinion that this bill does not expressly grant any additional rulemaking authority to a state officer, department, agency, or institution.
