AUTHOR'S/SPONSOR'S STATEMENT OF INTENT

The Texas State Board of Pharmacy (board) is subject to the Sunset Act and will be abolished on September 1, 2005, unless continued in existence by the legislature. However, the board's authority to regulate out-of-state pharmacies has not kept pace with changing technology, and the Texas Pharmacy Act does not give the board adequate authority to fully protect the public. The board also does not have access to sales and pricing information needed to prosecute illegal activity, and key elements of the board's licensing and regulatory functions do not conform to commonly applied licensing practices.

S.B. 410 strengthens the board's ability to regulate out-of-state pharmacies; updates the board's enforcement authority over in-state pharmacists and pharmacies, as well as pharmacy technicians; authorizes the board to gain access to financial, sales, and pricing data during investigations; authorizes the board to register and discipline pharmacy technician trainees; and continues the agency for another 12 years.

RULEMAKING AUTHORITY

Rulemaking authority is expressly granted to the Texas State Board of Pharmacy in SECTION 8 (Section 554.001, Occupations Code), SECTION 14 (Section 558.058, Occupations Code), SECTION 30 (Section 566.002, Occupations Code), SECTION 37 (Section 554.016, Occupations Code), and SECTION 38 (Section 556.0555, Occupations Code) of this bill.
