AUTHOR'S/SPONSOR'S STATEMENT OF INTENT

The Harris County Municipal Utility district No. 388 was created by the 77th Legislature in anticipation of growth in the area. The legislation establishing the district provided a specific date of September 1, 2006, by which the district had to be confirmed by an election. Because the pace of the development has not advanced as quickly as anticipated, the election cannot occur by that date.

S.B. 428 provides an open date for the confirmation election to occur.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
