

## **BILL ANALYSIS**

S.B. 615  
By: Averitt  
Criminal Jurisprudence  
Committee Report (Unamended)

### **BACKGROUND AND PURPOSE**

Under Article 2.122, Code of Criminal Procedure, the powers of Secret Service agents are limited to arrest, search, and seizure as to felony offenses only under the laws of the State of Texas. The powers of Secret Service agents protecting the President of the United States are limited in such a way that in a situation where local law enforcement officers are not immediately available for back-up, agents may not be able to thoroughly investigate potential threats to the President.

As proposed, S.B. 615 grants, in certain situations, the powers of arrest, search and seizure to special agents of the Secret Service providing protective service to the President or investigating a threat against the President.

### **RULEMAKING AUTHORITY**

It is the committee's opinion that this bill does not expressly grant any additional rulemaking authority to a state officer, department, agency, or institution.
