### **AUTHOR'S/SPONSOR'S STATEMENT OF INTENT**

In 1999, through the passage of S.B. 1421, the 76th Legislature established the "Interagency Coordination of Colonia Initiatives" under Chapter 775, Government Code. After the passage of S.B. 1421, the governor appointed the Office of the Secretary of State to be the colonia initiatives coordinator. Chapter 775 requires the colonia initiatives coordinator to coordinate colonia initiatives within the agency and with other agencies and local officials involved in colonia projects in this state.

S.B. 1202 expands the list of agencies involved with colonia initiatives and requires, rather than authorizes, the colonia initiatives coordinator to work with those agencies on colonia projects.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
