

BILL ANALYSIS

S.B. 1206
By: Madla
Transportation
Committee Report (Unamended)

BACKGROUND AND PURPOSE

Currently, numerous Texas cities restrict or prohibit the construction of billboards. However, municipal restrictions do not apply in rural unincorporated areas. Current law bans new billboards on certain sections of highways.

As proposed, S.B. 1206 amends the Transportation Code to add a highway in Bandera County that is part of the state highway system to the list of roads on which it is forbidden to erect an off-premise sign adjacent to and visible from the road.

RULEMAKING AUTHORITY

It is the committee's opinion that this bill does not expressly grant any additional rulemaking authority to a state officer, department, agency, or institution.
