AUTHOR'S/SPONSOR'S STATEMENT OF INTENT

Currently, Section 405.301, Government Code, requires the secretary of state to charge a \$10 fee for each official certificate, including apostilles, regardless of the number needed. Currently, individuals seeking to adopt a child in another country may spend over \$500 for apostilles in adoption proceedings for one child.

S.B. 1377 increases from \$10 to \$15 the fee charged by the secretary of state for each official certificate and limits the amount the secretary of state can charge for apostilles requested for use in proceedings related to the adoption of a child in another country to \$100, regardless of the number of apostilles requested in conjunction with the adoption of that child.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
