AUTHOR'S/SPONSOR'S STATEMENT OF INTENT

The Texas Veterans Commission (commission) often receives requests to accept equipment that individuals and entities want to donate to the commission. Additionally, the commission is offered monetary gifts allocated to help veterans in the state. However, the commission does not currently have the authority to honor the requests of those that seek to assist veterans through donations to the commission.

S.B. 1480 exempts the commission from Chapter 575, Government Code, which restricts the agency from receiving a gift that is valued at \$500 or more. Moreover, S.B. 1480 sets up a permanent fund to which state monies and gifts can be directed.
