AUTHOR'S/SPONSOR'S STATEMENT OF INTENT

Currently, residency requirements for state funded institutions of higher education are inconsistent and confusing.

S.B. 1528 clarifies the requirements by tying them to the census residency regulations and eligibility for classification as a dependent based on federal income tax reports. This keeps in place the system for allowing students to classify their eligibility on long-term residency and high school graduation. This bill will streamline the process for determining resident and non-resident tuition and make it consistent throughout the state.

RULEMAKING AUTHORITY

Rulemaking authority is expressly granted to the Texas Higher Education Coordinating Board in SECTION 1 (Section 54.0015, Education Code) and SECTION 4 (Section 54.075, Education Code) of this bill.

SECTION BY SECTION ANALYSIS

SECTION 1. Amends Subchapter A, Chapter 54, Education Code, by adding Section 54.0015, as follows:

Sec. 54.0015. ADOPTION OF CERTAIN DEFINITIONS BY RULE. Requires the Texas Higher Education Coordinating Board (coordinating board) by rule to adopt definitions related to the resident status of students for purposes of this title and to tuition and fee exemptions and waivers for students under this chapter as necessary to ensure consistency in the application of this chapter and other related state laws and policies.

SECTION 2. Amends Subchapter B, Chapter 54, Education Code, by adding Section 54.0501, as follows:

Sec. 54.0501. DEFINITIONS. Defines "census date," "dependent," "domicile," "nonresident tuition," "parent," "residence," and "resident tuition."

SECTION 3. Amends Sections 54.052, 54.053, 54.054, 54.055, 54.056, and 54.057, Education Code, as follows:

Sec. 54.052. New heading: DETERMINATION OF RESIDENT STATUS. (a) Provides that subject to the other applicable provisions of this subchapter governing the determination of resident status, certain persons are considered residents of this state for tuition purposes.

(b) Provides that for purposes of this section, the domicile of a dependent's parent is presumed to be the domicile of the dependent unless the person establishes eligibility for resident status under certain other requirements. Deletes text of existing Section 54.052.

Sec. 54.053. New heading: INFORMATION REQUIRED TO ESTABLISH RESIDENT STATUS. Requires a person to submit certain information to an institution of higher education to establish resident status for tuition purposes under this subchapter. Deletes text of existing Section 54.053.

Sec. 54.054. New heading: CONTINUING RESIDENT STATUS. (a) Entitles, except as otherwise provided by Subsection (c) of this section or by Section 54.055 or 54.056, a person classified by an institution of higher education as a resident of this state under this subchapter, without submitting the information required by Section 54.053, to be classified as a resident by that institution in each subsequent academic term in which the person enrolls.

(b) Entitles, except as otherwise provided by Subsection (c) of this section or by Section 54.055 or 54.056, a person classified by an institution of higher education as a resident, without submitting the information required by Section 54.053 to the subsequent institution, to be classified as a resident by another institution of higher education in which the person subsequently enrolls.

(c) Provides that Subsections (a) and (b) do not apply to a person who enrolls in an institution of higher education after two or more consecutive regular semesters during which the person is not enrolled in an institution of higher education. Requires, to be classified as a resident on that enrollment, the person to submit the information required by Section 54.053 and satisfy all applicable requirements to establish resident status. Provides that if the person is classified as a resident on that enrollment, Subsections (a) and (b) apply to the person in a subsequent academic term. Deletes text of existing Section 54.054.

Sec. 54.055. New heading: RECLASSIFICATION BASED ON ADDITIONAL OR CHANGED INFORMATION. (a) Authorizes an institution of higher education, on the basis of additional or changed information, to reclassify as a resident or nonresident of this state under this subchapter a person who has previously been classified as a resident or nonresident under this subchapter.

(b) Provides that reclassification does not apply to an academic term if the reclassification is made on or after the census date of that term. Deletes text of existing Section 54.055.

Sec. 54.056. New heading: ERRORS IN CLASSIFICATION. (a) Requires, if an institution of higher education erroneously classifies a person as a resident of this state and the person is not entitled or permitted to pay resident tuition under this subchapter, the institution of higher education to charge nonresident tuition to the person beginning with the first academic term that begins after the date the institution discovers the error. Authorizes, not earlier than the first day of that term, regardless of whether the person is still enrolled at the institution, the institution to request the person to pay the difference between resident and nonresident tuition for an earlier term as permitted by Section 54.057. Authorizes the institution to impose sanctions for nonpayment of the amount owed only as provided by that section. Prohibits the institution from requiring payment as a condition for any subsequent enrollment by the person in the institution.

(b) Requires, regardless of the reason for the error, if an institution of higher education erroneously classifies a person as a nonresident of this state, the institution to charge resident tuition to the person beginning with the academic term in which the institution discovers the error. Requires the institution immediately to refund to the person the amount of tuition the person paid in excess of resident tuition. Deletes text of existing Section 54.056.

Sec. 54.057. New heading: LIABILITY FOR UNPAID NONRESIDENT TUITION. (a) Provides that certain persons are liable for the difference between resident and nonresident tuition for each academic term in which the person pays resident tuition as the result of an erroneous classification under this subchapter.

(b) Requires the person to pay the applicable amount to the institution not later than the 30th day after the date the person is notified of the person's liability for the amount owed. Provides that after receiving the notice and until the amount is paid in full, the person is not entitled to receive from the institution a certificate or

diploma, if not yet awarded on the date of the notice, or official transcript that is based at least partially on or includes credit for courses taken while the person was erroneously classified as a resident of this state.

(c) Provides that a person who is erroneously classified as a resident of this state under this subchapter but who is entitled or permitted to pay resident tuition under this subchapter is not liable for the difference between resident and nonresident tuition under this section. Deletes text of existing Section 54.057.

SECTION 7.
