### **AUTHOR'S/SPONSOR'S STATEMENT OF INTENT**

Section 45.03 (Eligibility for Permit; Restrictions; Exceptions), Alcoholic Beverage Code requires wineries to store their product in the same county in which it is produced. However, many Texas wineries do not have bonded warehouses located in the county in which the winery is located.

S.B. 1692 amends current law to allow a winery to obtain storage permits either within the county or outside the county in which the winery is located.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
