9 (b) A school district shall provide to each employee notice
10 as prescribed by the commissioner relating to the existence of the

12 information about:

- 13 (1) the coverage offered by the pool;
14 (2) the eligibility for and cost of that coverage; and
15 (3) other information that allows the employee to
16 compare the coverage offered by the pool with any other coverage for
17 which the employee may be eligible.

18 Sec. 1582.102. STAFF; COMMITTEES. (a) The pool may employ
19 and set the compensation of any staff necessary to assist the pool
20 in carrying out its responsibilities and functions.

22 individuals. The rate must reflect anticipated experience and
23 expenses for health benefit coverage.

24 (d) The pool shall submit each rate and rate schedule to the

26 (b) The pool may design, use, contract for, or otherwise
27 arrange for the delivery of cost-effective health care services,

9 preceding the effective date of the individual's coverage under the
10 pool, the pool shall subtract from the exclusion period required
11 under Subsection (a) the period that the individual was covered

13 before that health benefit plan coverage became effective.

14 Sec. 1582.155. BENEFIT REDUCTION. (a) The pool may reduce
15 benefits otherwise payable under pool coverage by the total amount
16 paid or payable through any other health benefit plan.

13 day; or

14 (6) on the date the individual covered by the pool
15 ceases to meet the eligibility requirements for coverage.

16 (b) A dependent's pool coverage ends on the date the
