A BILL TO BE ENTITLED

1	AN ACT
2	relating to the Interstate Pest Control Compact.
3	BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:
4	SECTION 1. Subtitle B, Title 5, Agriculture Code, is
5	amended by adding Chapter 79 to read as follows:
6	CHAPTER 79. INTERSTATE PEST CONTROL COMPACT
7	Sec. 79.001. DEFINITIONS. In this chapter:
8	(1) "Compact" means the Interstate Pest Control
9	Compact.
10	(2) "Executive head" as used in the compact, with
11	reference to this state, means the governor.
12	Sec. 79.002. FILING OF BYLAWS. Under Article IV(h) of the
13	compact, copies of the bylaws adopted by the governing board and
14	amendments to the bylaws must be filed with the commissioner.
15	Sec. 79.003. COMPACT ADMINISTRATOR. The commissioner is
16	the compact administrator for this state.
17	Sec. 79.004. COOPERATION WITH PEST CONTROL INSURANCE FUND.
18	Consistent with other law and using funds appropriated for the
19	purpose, the state may cooperate with the insurance fund
20	established by the compact.
21	Sec. 79.005. REQUEST FOR ASSISTANCE. The commissioner may

compact.

request or apply for assistance from the insurance fund established

by the compact, as provided by Article VI(b) or VIII(a) of the

1	Sec. 79.006. DISPOSITION OF CERTAIN MONEY. A department or
2	agency that expends or becomes liable for an expenditure due to a
3	control or eradication program undertaken or intensified under the
4	compact shall have credited to the department or agency account in
5	the state treasury the amount of any payment made to the state to
6	defray the cost of the program or to reimburse the state.
7	Sec. 79.007. EXECUTION OF INTERSTATE COMPACT. This state
8	enters into a compact with all other states legally joining in the
9	compact in substantially the following form:
10	"INTERSTATE PEST CONTROL COMPACT
11	"ARTICLE I. FINDINGS
12	"The party states find that:
13	(1) in the absence of the higher degree of cooperation
14	among them possible under this Compact, the annual loss of
15	approximately 137 billion dollars from the depredations of pests is
16	virtually certain to continue, if not to increase;
17	(2) because of the varying climatic, geographic and
18	economic factors, each state may be affected differently by
19	particular species of pests; but all states share the inability to
20	protect themselves fully against those pests which present serious
21	dangers to them;
22	(3) the migratory character of pest infestations makes
23	it necessary for states both adjacent to and distant from one
24	another to complement each other's activities when faced with
25	conditions of infestation and reinfestation; and
26	(4) while every state is seriously affected by a
27	substantial number of pests, and every state is susceptible of

- infestation by many species of pests not now causing damage to its 1 2 crops and plant life and products, the fact that relatively few species of pests present equal danger to or are of interest to all 3 4 states makes the establishment and operation of an insurance fund, 5 from which individual states may obtain financial support for pest 6 control programs of benefit to them in other states and to which 7 they may contribute in accordance with their relative interest, the 8 most equitable means of financing cooperative pest eradication and control programs. 9
- 10 "ARTICLE II. DEFINITIONS

- obligations of party states expressly set forth in this Compact,
- 16 shall be unconditional and may not be restricted by the
- 17 appropriating state to use in the control of any specified pest or
- 18 pests. Donations and grants may be conditional or unconditional,

The Governing Board in its bylaws shall provide for the personnel policies and programs of the Insurance Fund.

- 10 Any donation, gift, or grant accepted by the Governing Board
- 11 pursuant to this paragraph or services borrowed pursuant to
- 12 paragraph (f) of this Article shall be reported in the annual report
- of the Insurance Fund. Such report shall include the nature, amount
- 14 and conditions, if any, of the donation, gift, grant, or services
- borrowed and the identity of the donor or lender.
- 16 "(h) The Governing Board shall adopt bylaws for the conduct
- of the business of the Insurance Fund and shall have the power to
- amend and to rescind these bylaws. The Insurance Fund shall publish
- 19 its bylaws in convenient form and shall file a copy thereof and a
- 20 copy of any amendment thereto with the appropriate agency or
- 21 officer in each of the party states.
- "(i) The Insurance Fund annually shall make to the Governor
- 23 and legislature of each party state a report covering its
- 24 activities for the preceding year. The Insurance Fund may make such
- 25 additional reports as it may deem desirable.
- 26 "(j) In addition to the powers and duties specifically
- 27 authorized and imposed, the Insurance Fund may do such other things

- 1 as are necessary and incidental to the conduct of its affairs
- 2 pursuant to this Compact.
- 3 "ARTICLE V. COMPACT AND INSURANCE FUND ADMINISTRATION
- 4 "(a) In each party state there shall be a Compact
- 5 administrator, who shall be selected and serve in such manner as the
- 6 laws of his state may provide, and who shall:
- 7 <u>1. Assist in the coordination of activities pursuant</u>
- 8 to the Compact in his state; and
- 9 <u>2. Represent his state on the Governing B</u>oard of the
- 10 <u>Insurance Fund.</u>
- 11 <u>"(b) If the laws of the United States specifically so</u>
- 12 provide, or if administrative provision is made therefore within
- the federal government, the United States may be represented on the
- 14 Governing Board of the Insurance Fund by not to exceed three
- 15 representatives. Any such representative or representatives of the
- 16 United States shall be appointed and serve in such manner as may be
- 17 provided by or pursuant to federal law, but no such representative
- shall have a vote on the Governing Board or the Executive Committee
- 19 thereof.
- "(c) The Governing Board shall meet at least once each year
- 21 for the purpose of determining policies and procedures in the
- 22 administration of the Insurance Fund and, consistent with the
- 23 provisions of the Compact, supervising and giving direction to the
- 24 expenditure of moneys from the Insurance Fund. Additional meetings
- of the Governing Board shall be held on call of the chairman, the
- 26 Executive Committee, or a majority of the membership of the
- 27 Governing Board.

"(d) At such times as it may be meeting, the Governing Board shall pass upon applications for assistance from the Insurance Fund and authorize disbursements therefrom. When the Governing Board is not in session, the Executive Committee thereof shall act as agent of the Governing Board, with full authority to act for it in passing upon such applications.

"(e) The Executive Committee shall be composed of the chairman of the Governing Board and four additional members of the Governing Board chosen by it so that there shall be one member representing each of four geographic groupings of party states. The Governing Board shall make such geographic groupings. If there is representation of the United States on the Governing Board, one such representative may meet with the Executive Committee. The chairman of the Governing Board shall be chairman of the Executive Committee. No action of the Executive Committee shall be binding unless taken at a meeting at which at least four members of such Committee are present and vote in favor thereof. Necessary expenses of each of the five members of the Executive Committee incurred in attending meetings of such Committee, when not held at the same time and place as a meeting of the Governing Board, shall be charges against the Insurance Fund.

"ARTICLE VI. ASSISTANCE AND REIMBURSEMENT

- "(a) Each party state pledges to each other party state that

 it will employ its best efforts to eradicate, or control within the

 strictest practicable limits, any and all pests. It is recognized

 that performance of this responsibility involves:
 - (1) The maintenance of pest control and eradication

- 1 activities of interstate significance by a party state at a level
- 2 that would be reasonable for its own protection in the absence of
- 3 this Compact.
- 4 (2) The meeting of emergency outbreaks or infestations
- of interstate significance to no less an extent than would have been
- 6 done in the absence of this Compact.
- 7 <u>"(b) Whenever a party state is threatened by a pest not</u>
- 8 present within its borders but present within another party state,
- 9 or whenever a party state is undertaking or engaged in activities
- 10 for the control or eradication of a pest or pests, and finds that
- 11 <u>such activities are or would be impracticable or substantially more</u>
- 12 <u>difficult of success by reason of failure of another party state to</u>
- 13 cope with infestation or threatened infestation, that state may
- 14 request the Governing Board to authorize expenditures from the
- 15 <u>Insurance Fund for eradication or control measures to be taken by</u>
- one or more of such other party states at a level sufficient to
- 17 prevent, or to reduce to the greatest practicable extent,
- 18 infestation or reinfestation of the requesting state. Upon such
- 19 authorization the responding state or states shall take or increase
- 20 such eradication or control measures as may be warranted. A
- 21 responding state shall use moneys available from the Insurance Fund
- 22 <u>expeditiously and efficiently to assist in affording the protection</u>
- 23 <u>requested.</u>
- "(c) In order to apply for expenditures from the Insurance
- 25 Fund, a requesting state shall submit the following in writing:
- 26 (1) A detailed statement of the circumstances which
- 27 occasion the request for the invoking of the Compact.

- (2) Evidence that the nest on account of whose eradication or control assistance is requested constitutes a danger to an agricultural or forest crop, product, tree, shrub, grass, or other plant having a substantial value to the requesting state.
- 5 (3) A statement of the extent of the present and
 6 projected program of the requesting state and its subdivisions,
 7 including full information as to the legal authority for the
 8 conduct of such program or programs and the expenditures being made
 9 or budgeted therefore, in connection with the eradication, control,
 10 or prevention of introduction of the pest concerned.
- 11 (4) Proof that the expenditures being made or budgeted

 12 as detailed in item 3 do not constitute a reduction of the effort

 13 for the control or eradication of the pest concerned or, if there is

 14 a reduction, the reasons why the level of program detailed in item 3

 15 constitutes a normal level of pest control activity.

- (5) A declaration as to whether, to the best of its knowledge and belief, the conditions which in its view occasion the invoking of the Compact in the particular instance can be abated by a program undertaken with the aid of moneys from the Insurance Fund in one year or less, or whether the request is for an installment in a program which is likely to continue for a longer period of time.
- (6) Such other information as the Governing Board may require consistent with the provisions of this Compact.
- "(d) The Governing Board or Executive Committee shall give due notice of any meeting at which an application for assistance from the Insurance Fund is to be considered. Such notice shall be given to the Compact administrator of each party state and to such

- other officers and agencies as may be designated by the laws of the
- 2 party states. The requesting state and any other party state shall
- 3 be entitled to be represented and present evidence and argument at
- 4 such meeting.
- 5 <u>"(e) Upon the submission as required by paragraph (c) of</u>
- 6 this Article and such other information as it may have or acquire,
- 7 and upon determining that an expenditure of funds is within the
- 8 purposes of this Compact and justified thereby, the Governing Board
- 9 or Executive Committee shall authorize support of the program. The
- 10 Governing Board or Executive Committee may meet at any time or place
- 11 for the purpose of receiving and considering an application. Any
- 12 and all determinations of the Governing Board or Executive
- 13 Committee, with respect to an application, together with the
- 14 reasons therefore shall be recorded and subscribed in such manner
- as to show and preserve the votes of the individual members thereof.
- 16 <u>"(f) A requesting state which is dissatisfied with a</u>
- 17 determination of the Executive Committee shall upon notice in
- 18 writing given within twenty days of the determination with which it
- is dissatisfied, be entitled to receive a review thereof at the next
- 20 meeting of the Governing Board. Determinations of the Executive
- 21 Committee shall be reviewable only by the Governing Board at one of
- 22 <u>its regular meetings</u>, or at a special meeting held in such manner as
- 23 <u>the Governing Board may authorize.</u>
- "(g) Responding states required to undertake or increase
- 25 measures pursuant to this Compact may receive moneys from the
- 26 Insurance Fund, either at the time or times when such state incurs
- 27 expenditures on account of such measures, or as reimbursement for

- 1 expenses incurred and chargeable to the Insurance Fund. The
- 2 Governing Board shall adopt and, from time to time, may amend or
- 3 revise procedures for submission of claims upon it and for payment
- 4 thereof.
- 5 "(h) Before authorizing the expenditure of moneys from the
- 6 Insurance Fund pursuant to an application of a requesting state,
- 7 the Insurance Fund shall ascertain the extent and nature of any
- 8 timely assistance or participation which may be available from the
- 9 federal government and shall request the appropriate agency or
- 10 agencies of the federal government for such assistance and
- 11 participation.
- "(i) The Insurance Fund may negotiate and execute a
- 13 memorandum of understanding or other appropriate instrument
- 14 defining the extent and degree of assistance or participation
- between and among the Insurance Fund, cooperating federal agencies,
- 16 states, and any other entities concerned.
- 17 "ARTICLE VII. ADVISORY AND TECHNICAL COMMITTEES
- 18 "The Governing Board may establish advisory and technical
- 19 committees composed of state, local, and federal officials, and
- 20 private persons to advise it with respect to any one or more of its
- functions. Any such advisory or technical committee, or any member
- 22 or members thereof may meet with and participate in its
- 23 deliberations upon request of the Governing Board or Executive
- 24 Committee. An advisory or technical committee may furnish
- 25 information and recommendations with respect to any application for
- 26 assistance from the Insurance Fund being considered by such Board
- or Committee and the Board or Committee may receive and consider the

- 1 same: provided that any participant in a meeting of the Governing
- 2 Board or Executive Committee held pursuant to Article VI (d) of the
- 3 Compact shall be entitled to know the substance of any such
- 4 information and recommendations, at the time of the meeting if made
- 5 prior thereto or as a part thereof or, if made thereafter, no later
- 6 than the time at which the Governing Board or Executive Committee
- 7 makes its disposition of the application.
- 8 "ARTICLE VIII. RELATIONS WITH NONPARTY JURISDICTIONS
- 9 "(a) A party state may make application for assistance from
- 10 the Insurance Fund in respect of a pest in a nonparty state. Such
- 11 application shall be considered and disposed of by the Governing
- 12 Board or Executive Committee in the same manner as an application
- 13 with respect to a pest within a party state, except as provided in
- 14 this Article.
- 15 <u>"(b) At or in connection with any meeting of the Governing</u>
- Board or Executive Committee held pursuant to Article VI (d) of this
- 17 Compact a nonparty state shall be entitled to appear, participate,
- and receive information only to such extent as the Governing Board
- or Executive Committee may provide. A nonparty state shall not be
- 20 entitled to review of any determination made by the Executive
- 21 <u>Committee.</u>
- "(c) The Governing Board or Executive Committee shall
- 23 <u>authorize expenditures from the Insurance Fund to be made in a</u>
- 24 nonparty state only after determining that the conditions in such
- 25 state and the value of such expenditures to the party states as a
- 26 whole justify them. The Governing Board or Executive Committee may
- 27 set any conditions which it deems appropriate with respect to the

expenditure of moneys from the Insurance Fund in a nonparty state
and may enter into such agreement or agreements with nonparty
states and other jurisdictions or entities as it may deem necessary
or appropriate to protect the interests of the Insurance Fund with

respect to expenditures and activities outside of party states.

"ARTICLE IX. FINANCE

- 7 "(a) The Insurance Fund shall submit to the executive head 8 or designated officer or officers of each party state a budget for 9 the Insurance Fund for such period as may be required by the laws of 10 that party state for a presentation to the legislature thereof.
 - "(b) Each of the budgets shall contain specific recommendations of the amount or amounts to be appropriated by each of the party states. The request for appropriations shall be apportioned among the party states as follows: one-tenth of the total budget in equal shares and the remainder in proportion to the value of agricultural and forest crops and products, excluding animals and animal products, produced in each party state. In determining the value of such crops and products the Insurance Fund may employ such source or sources of information as in its judgment present the most equitable and accurate comparisons among the party states. Each of the budgets and requests for appropriations shall indicate the source or sources used in obtaining information concerning value of products.
 - "(c) The financial assets of the Insurance Fund shall be maintained in two accounts to be designated respectively as the "Operating Account" and the "Claims Account." The Operating Account shall consist only of those assets necessary for the administration

of the Insurance Fund during the next ensuing two-year period. The Claims Account shall contain all moneys not included in the Operating Account and shall not exceed the amount reasonably estimated to be sufficient to pay all legitimate claims on the Insurance Fund for a period of three years. At any time when the Claims Account has reached its maximum limit or would reach its maximum limit by the addition of moneys requested for appropriation by the party states, the Governing Board shall reduce its budget requests on a pro rata basis in such manner as to keep the Claims Account within such maximum limit. Any moneys in the Claims Account by virtue of conditional donations, grants, or gifts shall be included in calculations made pursuant to this paragraph only to the extent that such moneys are available to meet demands arising out of the claims.

"(d) The Insurance Fund shall not pledge the credit of any party state. The Insurance Fund may meet any of its obligations in whole or in part with moneys available to it under Article IV (g) of this Compact, provided that the Governing Board take specific action setting aside such moneys prior to incurring any obligation to be met in whole or in part in such manner. Except where the Insurance Fund makes use of moneys available to it under Article IV (g) hereof, the Insurance Fund shall not incur any obligation prior to the allotment of moneys by the party states adequate to meet the same.

"(e) The Insurance Fund shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the Insurance Fund shall be subject to the audit and accounting

- 1 procedures established under its bylaws. However, all receipts and
- 2 disbursements of funds handled by the Insurance Fund shall be
- 3 audited yearly by a certified or licensed public accountant and
- 4 report of the audit shall be included in and become part of the
- 5 annual report of the Insurance Fund.

- 6 <u>"(f) The accounts of the Insurance Fund shall be open at any</u>
- 7 reasonable time for inspection by duly authorized officers of the
- 8 party states and by any persons authorized by the Insurance Fund.
 - "ARTICLE X. ENTRY INTO FORCE AND WITHDRAWAL
- 10 <u>"(a) This Compact shall enter into force when enacted into</u>
- 11 law by any five or more states. Thereafter, this Compact shall
- 12 become effective as to any other state upon its enactment thereof.
- "(b) Any party state may withdraw from this Compact by
- 14 enacting a statute repealing the same, but no such withdrawal shall
- 15 take effect until two years after the executive head of the
- 16 <u>withdrawing state has given notice in writing of the withdrawal to</u>
- 17 the executive heads of all other party states. No withdrawal shall
- 18 affect any liability already incurred by or chargeable to a party
- 19 state prior to the time of such withdrawal.
- 20 "ARTICLE XI. CONSTRUCTION AND SEVERABILITY
- 21 <u>"This Compact shall be liberally construed so as to </u>
- 22 <u>effectuate the purposes thereof. The provisions of this Compact</u>
- 23 shall be severable and if any phrase, clause, sentence, or
- 24 provision of this Compact is declared to be contrary to the
- 25 constitution of any state or of the United States or the
- 26 applicability thereof to any government, agency, person, or
- 27 circumstance is held invalid, the validity of the remainder of this

- 1 Compact and the applicability thereof to any government, agency,
- 2 person, or circumstance shall not be affected thereby. If this
- 3 Compact shall be held contrary to the constitution of any state
- 4 participating herein the Compact shall remain in full force and
- 5 <u>effect as to the remaining party states and in full force and effect</u>
- 6 <u>as to the state affected as to all severable matters."</u>
- 7 SECTION 2. This Act takes effect September 1, 2005.
