22 amended by adding Subsection (a-1) to read as follows:

23 (a-1) The board shall adopt rules that prescribe a method

1 allege conduct that:

2 (A) violates the standard of professional care
3 and judgment of an optometrist or therapeutic optometrist, as
4 applicable;

5 (B) involves professional misconduct; or

6 (C) potentially threatens public health or
7 safety; and

24 times the annual renewal [half of the license examination] fee set
25 by the board under Section 351.152 and the additional fee required
26 by Section 351.153. If a person's license has been expired for more
27 than 90 days but less than one year, the person may renew the

1 license by paying to the board a renewal fee [~~all unpaid renewal~~
2 ~~fees and a fee~~] that is equal to the sum of two times the annual
3 renewal [~~license examination~~] fee set by the board under Section
4 351.152 and the additional fee required by Section 351.153.

5 SECTION 1.017. Section 351.306(b), Occupations Code, is

10 SECTION 1.018. Section 351.501, Occupations Code, is
11 amended by adding Subsection (c) to read as follows:

12 (c) Notwithstanding Subsection (a), the board may not, as
13 part of a disciplinary action, order a license holder to acquire a
14 license or certificate of a different or higher class or type than
15 the license holder holds at the time of the disciplinary action.

16 SECTION 1.019. Subchapter K, Chapter 351, Occupations Code,
17 is amended by adding Section 351.5015 to read as follows:

18 Sec. 351.5015. TEMPORARY SUSPENSION OR RESTRICTION OF
19 LICENSE. (a) The board shall appoint a three-member disciplinary
20 panel consisting of board members to determine whether a license
21 issued to a person under this chapter should be temporarily
22 suspended or restricted.

23 (b) If the disciplinary panel determines from the evidence
24 presented to the panel that a license holder would, by the person's
25 continuation in the practice of optometry or therapeutic optometry,
26 constitute a continuing threat to the public welfare, the
27 disciplinary panel shall temporarily suspend or restrict the

1 license holder's license.

2 (c) The disciplinary panel may temporarily suspend or
3 restrict a license under this section without notice or hearing if:

4 (1) the board immediately provides notice of the
5 suspension or restriction to the license holder; and

6 (2) a hearing before the disciplinary panel concerning
7 the temporary suspension or restriction is scheduled for the
8 earliest possible date following the suspension or restriction.

9 (d) Notwithstanding Chapter 551, Government Code, the
10 disciplinary panel may hold a meeting by telephone conference call
11 if immediate action is required and convening of the panel at one
12 location is inconvenient for any member of the disciplinary panel.

13 (e) After the hearing described by Subsection (c)(2), if the
14 disciplinary panel affirms the temporary suspension or restriction
15 of the license holder's license, the board shall schedule an
16 informal settlement conference that meets the requirements of
17 Section 2001.054(c), Government Code, to be held as soon as
18 practicable, unless the license holder waives the informal
19 settlement conference or an informal settlement conference has
20 already been held with regard to the issues that are the basis for
21 the temporary suspension or restriction.

22 (f) If the license holder is unable to show compliance at
23 the informal settlement conference regarding the issues that are
24 the basis for the temporary suspension or restriction, a board
25 representative shall file a charge under Section 351.503 as soon as
26 practicable.

27 (g) If after the hearing described by Subsection (c)(2) the

1 disciplinary panel does not temporarily suspend or restrict the
2 license holder's license, the facts that were the basis for the
3 temporary suspension or restriction may not be the sole basis for
4 another proceeding to temporarily suspend or restrict the license
5 holder's license. The board may use those same facts in a
6 subsequent investigation to obtain new information that may be the
7 basis for the temporary suspension or restriction of the license
8 holder's license. For purposes of this subsection, facts that are
9 the basis for the temporary suspension or restriction of a license
10 holder's license include facts presented to the disciplinary panel
11 and facts presented by the board or a representative of the board at
12 the time evidence was presented to the disciplinary panel.

20 (2) an informal proceeding held in compliance with
21 Section 2001.054, Government Code.

22 (b) The board by rule shall establish procedures by which a
23 panel of board members may conduct an informal settlement
24 conference to resolve a complaint against a person licensed under
25 this chapter.

26 (c) Procedures established under Subsection (b) must:

27 (1) require that at least one board member who

1 represents the public be included in the panel conducting the
2 conference;

3 (2) require that the two board members who reviewed
4 and investigated a complaint under Section 351.2036(c) be included
5 in the panel conducting the conference;

6 (3) require the panel conducting the conference to use
7 the standardized penalty schedule adopted by the board under
8 Section 351.552(c) to determine the appropriate disciplinary
9 action, if any, to recommend to the board;

10 (4) require a complaint settlement recommended by the
11 panel to be approved by the board; and

12 (5) require the panel conducting the conference to:

13 (A) recommend settlement of the complaint to the
14 board; or

15 (B) refer the complaint to the State Office of
16 Administrative Hearings for a formal hearing and notify the board
17 of the referral.

18 (d) The board may order a person licensed under this chapter
19 to issue a refund to a patient as provided in an agreement resulting
20 from an informal settlement conference instead of or in addition to
21 assessing an administrative penalty against the person under
22 Subchapter L. The amount of a refund ordered under this subsection
23 may not exceed the amount the patient paid to the license holder for
24 an examination. The board may not require payment of other damages
25 or estimate harm in a restitution order.

26 (e) Rules adopted under this section must:

27 (1) provide the complainant and the license holder

1 with an opportunity to be heard; and

2 (2) require the presence of the attorney general to
3 advise the board or the board's employees.

4 SECTION 1.021. Subchapter K, Chapter 351, Occupations Code,
5 is amended by adding Section 351.508 to read as follows:

6 Sec. 351.508. RECUSAL REQUIRED. A member of the board who
7 reviews and investigates a complaint under Section 351.2036(c) or
8 participates in an informal settlement conference under Section
9 351.507 may not vote on any disciplinary action following the
10 informal settlement conference concerning the complaint and shall
11 recuse himself or herself from voting on any disciplinary action
12 following the informal settlement conference concerning the
13 complaint.

14 SECTION 1.022. Section 351.552, Occupations Code, is
15 amended by adding Subsection (c) to read as follows:

16 (c) The board by rule shall develop and publish a
17 standardized penalty schedule based on the criteria listed in
18 Subsection (b).

20 is amended by adding Section 351.608 to read as follows:

22 the board that a person is engaging in an act or practice that
23 constitutes the practice of optometry or therapeutic optometry
24 without a license or certificate under this chapter, the board,
25 after notice and opportunity for a hearing, may issue a cease and
26 desist order prohibiting the person from engaging in the activity.

27 (b) Notwithstanding Section 351.551, the board may impose

1 an administrative penalty under Subchapter L against a person who
2 violates an order issued under this section.
