

AN ACT

relating to the allocation of federal funds directed to be used to support graduate medical education in connection with the state Medicaid program.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Section 32.0315(b), Human Resources Code, is amended to read as follows:

(b) The department shall allocate the funds in the manner the department determines most effectively and equitably achieves the purposes for which those federal funds are received, consistent with the needs of this state for graduate medical education and the training of resident physicians in accredited residency programs in appropriate fields and specialties, taking into account other money available to support graduate medical education. In determining the needs of this state for graduate medical education, the department shall give primary emphasis to graduate medical education in primary care specialties and shall also recognize the growth in residency training slots since 1997 in the Lower Rio Grande Valley and other health care shortage areas of this state.

SECTION 2. If before implementing any provision of this Act a state agency determines that a waiver or authorization from a federal agency is necessary for implementation of that provision, the agency affected by the provision shall request the waiver or authorization and may delay implementing that provision until the

1 waiver or authorization is granted.

2 SECTION 3. This Act takes effect September 1, 2005.
