19 (b) The enhanced service retirement annuity for a member who
20 retires under Subsection (a) is an amount computed on the basis of
21 the member's average annual compensation for the three years of
22 service, whether or not consecutive, in which the member received
23 the highest annual compensation, times 2.5 percent for each year of
24 service credit in the retirement system.

1 SECTION 3. Section 824.2032, Government Code, as added by
2 this Act, applies only to a member of the Teacher Retirement System
3 of Texas who retires on or after the effective date of this Act.

4 SECTION 4. This Act takes effect immediately if it receives
5 a vote of two-thirds of all the members elected to each house, as
6 provided by Section 39, Article III, Texas Constitution. If this
7 Act does not receive the vote necessary for immediate effect, this
8 Act takes effect September 1, 2005.
