BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. WEST RANCH MANAGEMENT DISTRICT. Subtitle C,  
Title 4, Special District Local Laws Code, is amended by adding  
Chapter 3837 to read as follows:

CHAPTER 3837. WEST RANCH MANAGEMENT DISTRICT

SUBCHAPTER A. GENERAL PROVISIONS

Sec. 3837.001. DEFINITIONS. In this chapter:

(1) "Board" means the board of directors of the  
district.

(2) "District" means the West Ranch Management  
District.

Sec. 3837.002. WEST RANCH MANAGEMENT DISTRICT. The West  
Ranch Management District is a special district created under  
Section 59, Article XVI, Texas Constitution.

Sec. 3837.003. PURPOSE; DECLARATION OF INTENT. (a) The  
creation of the district is essential to accomplish the purposes of  
Sections 52 and 52-a, Article III, and Section 59, Article XVI,  
Texas Constitution, and other public purposes stated in this  
chapter. By creating the district and in authorizing the City of  
Friendswood, Galveston and Harris Counties, and other political

1 subdivisions to contract with the district, the legislature has  
2 established a program to accomplish the public purposes set out in  
3 Section 52-a, Article III, Texas Constitution.

4 (b) The creation of the district is necessary to promote,  
5 develop, encourage, and maintain employment, commerce,  
6 transportation, housing, tourism, recreation, the arts,  
7 entertainment, economic development, education, safety, and the  
8 public welfare in the district.

9 (c) This chapter and the creation of the district may not be  
10 interpreted to relieve Galveston and Harris Counties and the City  
11 of Friendswood from providing the level of services provided as of  
12 the effective date of the Act enacting this chapter, to the area in  
13 the district. The district is created to supplement and not to  
14 supplant the county or city services provided in the area in the  
15 district.

16 Sec. 3837.004. FINDINGS OF BENEFIT AND PUBLIC PURPOSE. (a)  
17 The district is created to serve a public use and benefit.

18 (b) All land and other property included in the district  
19 will benefit from the improvements and services to be provided by  
20 the district under powers conferred by Sections 52 and 52-a,  
21 Article III, and Section 59, Article XVI, Texas Constitution, and  
22 other powers granted under this chapter.

23 (c) The creation of the district is in the public interest  
24 and is essential to:

25 (1) further the public purposes of developing and  
26 diversifying the economy of the state;

27 (2) eliminate unemployment and underemployment; and

1           (3) develop or expand transportation and commerce.

2           (d) The district will:

3           (1) promote the health, safety, education, and general  
4 welfare of residents, employers, potential employees, employees,  
5 visitors, and consumers in the district, and of the public;

6           (2) provide needed funding for the district to  
7 preserve, maintain, and enhance the economic health and vitality of  
8 the district territory as a community and business center; and

9           (3) promote the health, safety, welfare, education,  
10 and enjoyment of the public by providing pedestrian ways and by  
11 landscaping and developing certain areas in the district, which are  
12 necessary for the restoration, preservation, and enhancement of  
13 scenic beauty.

14           (e) Pedestrian ways along or across a street, whether at  
15 grade or above or below the surface, and street lighting, street  
16 landscaping, parking, and street art objects are parts of and  
17 necessary components of a street and are considered to be a street  
18 or road improvement.

19           (f) The district will not act as the agent or  
20 instrumentality of any private interest even though the district  
21 will benefit many private interests as well as the public.

22           Sec. 3837.005. DISTRICT TERRITORY. (a) The district is  
23 composed of the territory described by Section 2 of the Act enacting  
24 this chapter, as that territory may have been modified under:

25           (1) Subchapter J, Chapter 49, Water Code; or

26           (2) other law.

27           (b) The boundaries and field notes of the district contained

1 in Section 2 of the Act enacting this chapter form a closure. A  
2 mistake in the field notes or in copying the field notes in the  
3 legislative process does not in any way affect the district's:

4 (1) organization, existence, or validity;

5 (2) right to issue any type of bond for a purpose for  
6 which the district is created or to pay the principal of and  
7 interest on the bond;

8 (3) right to impose or collect an assessment or tax; or

9 (4) legality or operation.

10 Sec. 3837.006. ELIGIBILITY FOR INCLUSION IN SPECIAL ZONES.

11 All or any part of the area of the district is eligible to be  
12 included in:

13 (1) a tax increment reinvestment zone created by a  
14 municipality under Chapter 311, Tax Code;

15 (2) a tax abatement reinvestment zone created by a  
16 municipality under Chapter 312, Tax Code; or

17 (3) an enterprise zone created by a municipality under
