CONCURRENT RESOLUTION

1           WHEREAS, Our veterans who live in South Texas have served

10 other facilities for special tests or treatments; in addition, the  
11 nearest veterans hospital to the region with inpatient acute  
12 medical and surgical care and extended care is more than 250 miles  
13 away in San Antonio; and

15 Counties alone number greater than 46,000, and a May 2004 report by  
16 the Department of Veterans Affairs (DVA) acknowledged the need for  
17 improved and expanded medical facilities for veterans in South
