4 Sec. 227.004. ENVIRONMENTAL DOCUMENTATION. (a) The
5 department shall include in a draft or final environmental impact
6 statement prepared as part of the environmental review of a
7 Trans-Texas Corridor project information detailing:

8 (1) the reasons for the immediate and future needs of
9 the project;

10 (2) the reasonableness of and necessity for the
11 project; and

12 (3) after a segment of the project has advanced:

13 (A) the reasons for the immediate and future
14 needs for each mode of transportation in that segment of the
15 project; and

16 (B) the reasonableness and necessity for each
17 mode of transportation in that segment of the project.

18 (b) After receiving approval from the federal government,
19 the department shall:

20 (1) post the final environmental impact statement on
21 the department's Internet website, along with information
22 concerning where a copy of the environmental impact statement may
23 be reviewed or obtained; and

24 (2) provide notice to each state senator and
25 representative who represents all or part of the area in which a
26 segment of the project is located, and the commissioners court of
27 each county in which a segment of the project is located, that the

1 environmental impact statement is available on the department's
2 Internet website.
