

R E S O L U T I O N

1 BE IT RESOLVED, BY THE House of Representatives of the State  
2 of Texas, that House Rule 13, Section 9, be suspended in part as  
3 provided by House Rule 13, Section 9(f) to enable consideration of,  
4 and action on, the following specific matters which may be  
5 contained in the Conference Committee Report on Senate Bill 1.

6 1. Format Changes

7 For each agency and institution of higher education, the Conference  
8 Committee Report moves the informational item entitled  
9 "Supplemental Appropriations Made in Riders" from immediately  
10 following the "Schedule of Exempt Positions" to immediately after  
11 the grand total of all appropriations made in strategies.

12 For each general academic institution, service agency, health  
13 center, health science center, technical college and system office,  
14 the Conference Committee report combines all strategy  
15 appropriations into one single appropriation with the individual  
16 strategies shown, for information purposes only, as the first rider  
17 in the institution's bill pattern. This format change does not  
18 affect the amount of appropriations to any institution or the  
19 method of financing any institution's appropriations.
