S.B. No. 93

A BILL TO BE ENTITLED

AN ACT

1
2 relating to a manifest system to record the transportation of
3 certain liquid wastes.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

5 SECTION 1. Subchapter B, Chapter 361, Health and Safety
6 Code, is amended by adding Section 361.034 to read as follows:

7 Sec. 361.034. RECORDS AND MANIFESTS REQUIRED FOR CERTAIN
8 LIQUID WASTES. (a) The commission by rule shall require a person
9 who generates, collects, conveys, transports, processes, stores,
10 or disposes of sewage sludge, water treatment sludge, grit trap
11 waste, or grease trap waste to keep records and use a uniform
12 manifest as prescribed by commission rule to ensure that the waste
13 is transported to an appropriate processing, storage, or disposal
14 facility or site permitted or authorized for that purpose.

15 (b) The rules must require the person who generates the
16 waste, the person who transports the waste, and the person who
17 disposes of the waste each to retain, for not less than three years,
18 a copy of a transportation manifest that records the generator,
19 transporter, and disposal site and method.

20 (c) The rules must require that aggregate amounts of waste
21 recorded on the manifests required under this section match the
22 amounts of waste reported to the commission annually. The
23 commission may require copies of manifests to be submitted with
24 reports to the commission or at other times.

1 SECTION 2. The Texas Commission on Environmental Quality
2 shall adopt rules under Section 361.034, Health and Safety Code, as
3 added by this Act, as soon as practicable so that the rules take
4 effect not later than March 1, 2006.

5 SECTION 3. This Act takes effect immediately if it receives
6 a vote of two-thirds of all the members elected to each house, as
7 provided by Section 39, Article III, Texas Constitution. If this
8 Act does not receive the vote necessary for immediate effect, this
9 Act takes effect September 1, 2005.
