BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Subchapter D, Chapter 161, Human Resources Code, is amended by adding Section 161.075 to read as follows:

Sec. 161.075. PILOT PROGRAM FOR TRANSFER OF MONEY FOR COMMUNITY-BASED SERVICES FOR CERTAIN CHILDREN. (a) In this section:

(A) quantifies the amount of money appropriated to the department by the legislature that would have been spent during the remainder of a state fiscal biennium to care for a child who lives in any ICF-MR facility but who is leaving that facility before the end of the biennium to live in the community; and

1 (B) notifies the commission that the child will
2 be leaving the facility to live in the community; and

3 (2) the commission, notwithstanding any other state
4 law and to the maximum extent allowed by federal law, directs, as
5 appropriate:

6 (A) the executive commissioner, at the time the
7 child leaves the facility, to transfer the amount quantified under
8 Subdivision (1)(A) among the health and human services agencies and
9 the commission as necessary to comply with this section, subject to
10 Subsection (d); or

11 (B) the department, at the time the child leaves
12 the facility, to transfer the amount quantified under Subdivision
13 (1)(A) within the department's budget as necessary to comply with
14 this section, subject to Subsection (d).

15 (c) The commission shall ensure that the amount transferred
16 under this section is redirected by the commission or the
17 department, as applicable, to one or more community-based programs
18 to provide community-based services to the child after the child
19 leaves the facility.

20 (d) During each state fiscal year, the department may notify
21 the commission under Subsection (b)(1)(B) with respect to at least
22 50 children, and the commission shall direct that money be
23 transferred under Subsection (b)(2) with respect to those children.

24 (e) The commission may decertify an appropriate Medicaid
25 bed for each child who leaves an ICF-MR facility and for whom money
26 is transferred under Subsection (b)(2).

27 (f) Not later than December 1, 2006, the commission and the

1 department shall jointly prepare and submit a report concerning the
2 effectiveness of the pilot program to the governor and the
3 committees of each house of the legislature that have primary
4 oversight jurisdiction over health and human services. The report
5 must:

7 facility to receive community-based services under the pilot
8 program and the locations of the ICF-MR facilities in which those
9 children previously resided;

10 (2) identify the waiver programs that provided the
11 community-based services to children described by Subdivision (1);
12 and

13 (3) include:

14 (A) an evaluation of any systemic barriers that
15 affected implementation of the pilot program;

16 (B) recommendations on possible incentives or
17 assistance that would encourage providers of ICF-MR services to
18 convert those services to community-based services; and

19 (C) a recommendation regarding the feasibility
20 of expanding the pilot program statewide.

21 (g) This section expires September 1, 2007.

26 a state agency determines that a waiver or authorization from a
27 federal agency is necessary for implementation of that provision,

1 the agency affected by the provision shall request the waiver or
2 authorization and may delay implementing that provision until the
3 waiver or authorization is granted.

4 SECTION 4. This Act takes effect September 1, 2005.
