19 (1) the dependents of the employee or retired employee
20 or an individual policyholder or subscriber; and

3 plan issuer's annual report to the board under Sections [~~Section~~]
4 1506.2521 and 1506.2522, and any other reports required by and

11 determine the per capita amount; and

12 (2) multiply the number of enrolled individuals
13 reported by the health benefit plan issuer under Section 1506.2522
14 as of the preceding December 31 by the per capita amount to
15 determine the amount assessed to that health benefit plan issuer

21 ~~year, by~~

22 ~~[(2) the gross premiums collected by all issuers for~~

5 assessment under this subchapter~~[, or~~

6 ~~[(3) coverage or insurance listed in Section~~
7 ~~1506.002(b)].~~

8 SECTION 7. Chapter 1506, Insurance Code, is amended by
9 adding Subchapter G to read as follows:

10 SUBCHAPTER G. SUBROGATION RIGHTS OF POOL

11 Sec. 1506.301. SUBROGATION TO RIGHTS AGAINST THIRD PARTY.

12 The pool:

13 (1) is subrogated to the rights of an individual
14 covered by the pool to recover against a third party costs for an
15 injury or illness for which the third party is liable under
16 contract, tort law, or other law that have been paid by the pool on
17 behalf of the covered individual; and

18 (2) may enforce that liability on behalf of the
19 individual.

20 Sec. 1506.302. BENEFITS NOT PAYABLE; ADVANCE OF BENEFITS
21 AUTHORIZED. (a) Under coverage provided by the pool, benefits are
22 not payable for an injury or illness for which a third party may be
23 liable under contract, tort law, or other law.

24 (b) Notwithstanding Subsection (a), the pool may advance to
25 a covered individual the benefits provided under the pool coverage
26 for medical expenses resulting from the injury or illness, subject
27 to the pool's right to subrogation and reimbursement under this

1 subchapter.

2 Sec. 1506.303. REIMBURSEMENT OF POOL REQUIRED.

3 (a) Subject to Section 1506.305, the amount recovered by a covered
4 individual in an action against a third party who is liable for the
5 injury or illness must be used to reimburse the pool for benefits
6 for medical expenses that have been advanced under Section
7 1506.302.

8 (b) The amount of reimbursement required by this section is
9 not reduced by the application of the doctrine established at
10 common law relating to adequate compensation of insureds and
11 commonly referred to as the "made whole" doctrine.

12 (c) Subject to Section 1506.305, the pool shall treat any
13 amount recovered by a covered individual in an action against a
14 third party who is liable for the injury or illness that exceeds the
15 amount of the reimbursement required under this section as an
16 advance against future medical benefits for the injury or illness
17 that the individual would otherwise be entitled to receive under
18 pool coverage.

19 Sec. 1506.304. RESUMPTION OF PAYMENT OF BENEFITS. If the
20 amount treated as an advance under Section 1506.303(c) is adequate
21 to cover all future medical costs for the covered individual's
22 injury or illness, the pool is not required to resume the payment of
23 benefits. If the advance is insufficient, the pool shall resume the
24 payment of benefits when the advance is exhausted.

25 Sec. 1506.305. ATTORNEY'S FEE FOR REPRESENTATION OF POOL'S
26 INTEREST. (a) For purposes of this section, the pool's recovery
27 includes:

1 (1) the amount recovered by the pool in the action; and

2 (2) the amount of the covered individual's total
3 recovery that must be used to reimburse the pool or that is treated
4 as an advance for future medical costs under Section 1506.303(c).

5 (b) If the pool's interest is not actively represented by an
6 attorney in a third-party action under this subchapter, the pool
7 shall pay a fee to an attorney representing the claimant in the
8 amount agreed on between the attorney and the pool. In the absence
9 of an agreement, the court shall award to the attorney payable out
10 of the pool's recovery:

11 (1) a reasonable fee for recovery of the pool's
12 interest that may not exceed one-third of the pool's recovery; and

13 (2) a proportionate share of the reasonable expenses
14 incurred.

15 (c) An attorney who represents a covered individual and is
16 also to represent the interests of the pool under this subchapter
17 must make a full written disclosure to the covered individual
18 before employment as an attorney by the pool. The covered
19 individual must acknowledge the disclosure and consent to the
20 representation. A signed copy of the disclosure shall be provided
21 to the covered individual and the pool. A copy of the disclosure
22 with the covered individual's consent must be filed with the
23 pleading before a judgment is entered and approved by the court.
24 The attorney may not receive a fee under this section to which the
25 attorney is otherwise entitled under an agreement with the pool
26 unless the attorney complies with the requirements of this
27 subsection.

1 (d) If an attorney actively representing the pool's
2 interest actively participates in obtaining a recovery, the court
3 shall award and apportion between the covered individual's and the
4 pool's attorneys a fee payable out of the pool's subrogation
5 recovery. In apportioning the award, the court shall consider the
6 benefit accruing to the pool as a result of each attorney's service.
7 The total attorney's fees may not exceed one-third of the pool's
8 recovery.

9 SECTION 8. (a) This Act applies only to an application for
10 initial or renewal coverage through the Texas Health Insurance Risk
11 Pool under Chapter 1506, Insurance Code, as amended by this Act,
12 that is filed with that pool on or after the effective date of this
13 Act. An application filed before the effective date of this Act is
14 governed by the law in effect on the date on which the application
15 was filed, and the former law is continued in effect for that
16 purpose.

17 (b) Section 1506.155, Insurance Code, as amended by this
18 Act, and Subchapter G, Chapter 1506, Insurance Code, as added by
19 this Act, apply only to pool coverage that is delivered, issued for
20 delivery, or renewed on or after the effective date of this Act.
21 Pool coverage that is delivered, issued for delivery, or renewed
22 before the effective date of this Act is governed by the law as it
23 existed immediately before that date, and that law is continued in
24 effect for that purpose.

25 (c) The change in law made by this Act to Section
26 1506.002(b), Insurance Code, applies to an assessment under
27 Subchapter F, Chapter 1506, Insurance Code, for a calendar year

1 beginning on or after the effective date of this Act. An assessment
2 for a net loss for a calendar year before the effective date of this
3 Act is governed by the law in effect during the calendar year for
4 which the assessment is made, and the former law is continued in
5 effect for that purpose.

6 (d) The board of directors of the Texas Health Insurance
7 Risk Pool shall refund an assessment amount paid for a period after
8 September 30, 2005, that is attributable to those coverages that
9 are exempt from the assessment because of the change in law made by
10 this Act to Section 1506.002(b), Insurance Code, at the time the
11 final net loss for the period for which the assessment is made is
12 determined.

13 (e) Section 1506.253, Insurance Code, as amended by this
14 Act, applies to an assessment under Subchapter F, Chapter 1506,
15 Insurance Code, for a calendar year beginning on or after January 1,
16 2006. An assessment for a calendar year before January 1, 2006, is
17 governed by the law in effect during the period for which the
18 assessment is made, and the former law is continued in effect for
19 that purpose.

20 (f) Notwithstanding Subsection (a) of this section and
21 Section 1506.158, Insurance Code, an individual who is covered by
22 the Texas Health Insurance Risk Pool on the effective date of this
23 Act and who, because of the change in law made by this Act to
24 Subsection (a), Section 1506.152, Insurance Code, would no longer
25 be eligible for coverage, continues to be eligible for coverage
26 from the pool until the individual's coverage is terminated for a
27 reason other than that change in law.

1 SECTION 9. (a) In accordance with Subsection (c), Section
2 311.031, Government Code, which gives effect to a substantive
3 amendment enacted by the same legislature that codifies the amended
4 statute, the text of Subsection (b), Section 1506.002, Insurance
5 Code, as set out in Section 1 of this Act, Subsection (a), Section
6 1506.152, Insurance Code, as set out in Section 3 of this Act, and
7 Subsections (a) and (c), Section 1506.253, Insurance Code, as set
8 out in Section 6 of this Act, gives effect to changes made by
9 Sections 1, 6, and 11, Chapter 840, Acts of the 78th Legislature,
10 Regular Session, 2003.

11 (b) To the extent of any conflict, this Act prevails over
12 another Act of the 79th Legislature, Regular Session, 2005,
13 relating to nonsubstantive additions to and corrections in enacted
14 codes.

15 SECTION 10. This Act takes effect January 1, 2006.
