S.B. No. 997

A BILL TO BE ENTITLED

AN ACT

relating to the taxable value of property for school finance purposes of certain school districts.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Section 403.302, Government Code, is amended by adding Subsection (c-1) to read as follows:

(c-1) This subsection applies only to a school district whose central administrative office is located in a county with a population of 20,000 or less. If after conducting the annual study for a tax year the comptroller determines that the local value for a school district is not valid, the comptroller shall adjust the taxable value determined under Subsections (a) and (b) as follows:

(1) for each category of property sampled and tested by the comptroller in the school district, the comptroller shall use the weighted mean appraisal ratio determined by the study, unless the ratio is more than four percentage points lower than the weighted mean appraisal ratio determined by the comptroller for that category of property in the immediately preceding study, in which case the comptroller shall use the weighted mean appraisal ratio determined by the study minus four percentage points;

(2) the comptroller shall use the category weighted mean appraisal ratios as adjusted under Subdivision (1) to establish a value estimate for each category of property sampled and tested by the comptroller in the school district; and

1 (3) the value estimates established under Subdivision
2 (2), together with the local tax roll value for any categories not
3 sampled and tested by the comptroller, less total deductions
4 determined by the comptroller, determines the taxable value for the
5 school district.

6 SECTION 2. This Act takes effect immediately if it receives
7 a vote of two-thirds of all the members elected to each house, as
8 provided by Section 39, Article III, Texas Constitution. If this
9 Act does not receive the vote necessary for immediate effect, this
10 Act takes effect September 1, 2005.
