3 and

4 (2) provide opportunities for the creation of jobs by
5 local and state businesses that pay a living wage.

6 Sec. 398.004. ECONOMIC IMPACT STUDY. (a) To be eligible to
7 use a portion of the tax revenue generated by a special event to

9 under this chapter, a host community must submit an economic impact
10 study of the geographic area expected to experience economic
11 benefits from the special event.

12 (b) The economic impact study must identify the geographic
13 area expected to experience economic benefits from the special
14 event and provide an estimate of:

15 (1) the general economic impact likely to occur in the
16 area as a result of the event; and

17 (2) the anticipated amount of increase in the tax
18 receipts to this state from the taxes imposed under Chapter 151, Tax

16 it relates to the purposes provided by Section 398.006(c) that each
17 political subdivision within a host community anticipates will be
