By: Nelson S.B. No. 1330

A BILL TO BE ENTITLED

1	AN ACT
2	relating to the immunization of elderly persons by certain health
3	care facilities.
4	BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:
5	SECTION 1. Subchapter A, Chapter 161, Health and Safety
6	Code, is amended by adding Section 161.0052 to read as follows:
7	Sec. 161.0052. IMMUNIZATION OF ELDERLY PERSONS BY
8	HOSPITALS, END STAGE RENAL DISEASE FACILITIES, AND PHYSICIANS'
9	OFFICES. (a) In this section:
10	(1) "Elderly person" means a person who is 65 years of
11	age or older.
12	(2) "End stage renal disease facility" has the meaning
13	assigned by Section 251.001.
14	(3) "Hospital" has the meaning assigned by Section
15	241.003.
16	(b) The executive commissioner of the Health and Human
17	Services Commission by rule shall require a hospital to inform each
18	elderly person admitted to the hospital for a period of 24 hours or

from the hospital.

Services Commission by rule shall require an end stage renal

more that the pneumococcal and influenza vaccines are available.

If the elderly person requests a vaccine, the hospital must make the

vaccination available to the person before the person is discharged

(c) The executive commissioner of the Health and Human

under

disease facility to offer, to the extent possible as determined by 1 the facility, the opportunity to receive the pneumococcal and 2 3 influenza vaccines to each elderly person who receives ongoing care at the facility. If the facility decides it is not feasible to 4 offer the vaccine, the <u>facility must provide the person with</u> 5 information on other options for obtaining the vaccine. 6 7 (d) The Texas State Board of Medical Examiners by rule shall require a physician responsible for the management of a physician's 8 9 office that provides ongoing medical care to elderly persons to offer, to the extent possible as determined by the physician, the 10 11 opportunity to receive the pneumococcal and influenza vaccines to each elderly person who receives ongoing care at the office. If the 12 physician decides it is not feasible to offer the vaccine, the 13 physician must provide the person with information on other options 14 15 for obtaining the vaccine. 16 (e) Rules adopted under this section must require that: 17 (1) a hospital, end stage renal disease facility, or physician's office: 18 19 (A) offer the influenza vaccine in October and 20 November, and if the vaccine is available, December; and 21 (B) offer the pneumococcal vaccine year-round; 22 and 23 (2) a person administering a vaccine: (A) ask whether the elderly person is currently 24 25 vaccinated against the influenza virus or pneumococcal disease, as 26 appropriate;

(B) administer the vaccine

27

- 1 institution-approved or physician-approved protocols after making
- 2 <u>an assessment for contraindications; and</u>
- 3 (C) permanently document the vaccination in the
- 4 <u>elderly person's medical records.</u>
- 5 (f) In adopting rules under this section, the executive
- 6 commissioner of the Health and Human Services Commission and the
- 7 Texas State Board of Medical Examiners shall consider the
- 8 <u>recommendations of the Advisory Committee on Immunization</u>
- 9 Practices of the Centers for Disease Control and Prevention.
- 10 (g) Rules adopted under this section may consider the
- 11 potential for a shortage of a vaccine.
- 12 (h) The department shall make available to hospitals and end
- 13 stage renal disease facilities, and the Texas State Board of
- 14 Medical Examiners shall make available to physicians' offices,
- 15 educational and informational materials concerning vaccination
- 16 against influenza virus and pneumococcal disease.
- 17 SECTION 2. This Act takes effect September 1, 2005.
