(a) If an institution of higher education erroneously classifies a person as a resident of this state and the person is not entitled or permitted to pay resident tuition under this subchapter, the institution of higher education shall charge nonresident tuition to the person beginning with the first academic term that begins after the date the institution discovers the error. Not earlier than the first day of that term, regardless of whether the person is still enrolled at the institution, the institution may request the person to pay the difference between resident and nonresident tuition for an earlier term as permitted by Section 54.057. For nonpayment of the amount owed, the institution may impose sanctions only as provided by that section. The institution may not require payment as a condition for any subsequent enrollment by the person in the institution.

(b) Regardless of the reason for the error, if an institution of higher education erroneously classifies a person as a nonresident of this state, the institution shall charge resident tuition to the person beginning with the academic term in which the institution discovers the error. The institution immediately shall refund to the person the amount of tuition the person paid in excess of resident tuition ~~[EFFECT OF MARRIAGE. A student who is a resident of Texas and who marries a nonresident is entitled to pay~~

1 ~~the resident tuition fee as long as the student does not adopt the~~  
2 ~~legal residence of the spouse in another state]~~.

3       Sec. 54.057. LIABILITY FOR UNPAID NONRESIDENT TUITION.

4 (a) The following persons are liable for the difference between  
5 resident and nonresident tuition for each academic term in which  
6 the person pays resident tuition as the result of an erroneous  
7 classification under this subchapter:

8           (1) a person who, in a timely manner after the  
9 information becomes available or on request by the institution of  
10 higher education, fails to provide to the institution information  
11 that the person reasonably should know would be relevant to an  
12 accurate classification by the institution under this subchapter;  
13 or

14           (2) a person who provides false information to the  
15 institution that the person reasonably should know could lead to an  
16 erroneous classification by the institution under this subchapter.

17       (b) The person shall pay the applicable amount to the  
18 institution not later than the 30th day after the date the person is  
19 notified of the person's liability for the amount owed. After  
20 receiving the notice and until the amount is paid in full, the  
21 person is not entitled to receive from the institution a  
22 certificate or diploma, if not yet awarded on the date of the  
23 notice, or official transcript that is based at least partially on  
24 or includes credit for courses taken while the person was  
25 erroneously classified as a resident of this state.

26       (c) A person who is erroneously classified as a resident of  
27 this state under this subchapter but who is entitled or permitted to

pay resident tuition under this subchapter is not liable for the difference between resident and nonresident tuition under this section [~~ALIENS. (a) An alien who is living in this country under a visa permitting permanent residence or who has applied to or has a petition pending with the Immigration and Naturalization Service to attain lawful status under federal immigration law has the same privilege of qualifying for resident status for tuition and fee purposes under this subchapter as has a citizen of the United States. A resident alien residing in a junior college district located immediately adjacent to Texas boundary lines shall be charged the resident tuition by that junior college.~~]

Sec. 54.073. ECONOMIC DEVELOPMENT AND DIVERSIFICATION. A person who registers at an institution of higher education without having established resident status in this state under Section 54.052 is entitled to pay tuition and required fees at the rate provided for residents of this state if:

(1) the person or, as determined by coordinating board rule, an adult member of the person's family who resides in the person's household and is a primary caretaker of the person

1 establishes by the institution's enrollment date a residence in  
2 this state as a result of the person's or caretaker's employment by  
3 a business or organization that became established in this state as  
4 part of the program of state economic development and  
5 diversification authorized by the law of this state; and

6 (2) the person files with that institution of higher  
7 education a letter of intent to establish residency in this state.

8 Sec. 54.074. NATO AGREEMENT. A nonimmigrant alien who  
9 resides in this state in accordance with the Agreement between the  
10 Parties to the North Atlantic Treaty Regarding the Status of Their  
11 Forces (4 U.S.T. 1792) and the spouse or children of that alien are  
12 considered to be residents for tuition and fee purposes under this  
13 title.

14 Sec. 54.075. COORDINATING BOARD RULES; SUPPLEMENTATION OF  
15 RULES BY INSTITUTIONS LIMITED. (a) The coordinating board shall  
16 adopt rules to carry out the purposes of this subchapter.

17 (b) An institution of higher education may not require a  
18 person to provide evidence of resident status that is not required  
19 by coordinating board rule.

20 SECTION 5. Section 54.007, Education Code, is amended by  
21 adding Subsection (f) to read as follows:

22 (f) The governing board shall require a student who elects  
23 to pay tuition and fees by installment under this section to enter  
24 into a written agreement reflecting the terms and conditions  
25 required by this section.

26 SECTION 6. Subsection (m), Section 54.051, Education Code,  
27 is amended to read as follows:

1 (m) Unless the student establishes residency or is entitled  
2 or permitted to pay resident tuition as provided by this subchapter  
3 [~~Section 54.052(j) or 54.057~~], tuition for a student who is a  
4 citizen of any country other than the United States of America is  
5 the same as the tuition required of other nonresident students.

6 SECTION 7. Subsection (c), Section 54.621, Education Code,  
7 is amended to read as follows:

8 (c) Notwithstanding any provision of Subchapter B [~~Section~~  
9 ~~54.052(d)~~], the tuition and required fees charged by an institution  
10 of higher education for semester hours and fees that are paid for by  
11 a prepaid tuition contract shall be determined as if the  
12 beneficiary of that contract were a resident student.

13 SECTION 8. Sections 54.062, 54.066, 54.067, 54.068, 54.071,  
14 and 54.072, Education Code, are transferred to Subchapter A,  
15 Chapter 54, Education Code, renumbered as Sections 54.011, 54.012,  
16 54.013, 54.014, 54.015, and 54.016, Education Code, and amended to  
17 read as follows:

18 Sec. 54.011 [~~54.062~~]. TUITION LIMIT IN CASES OF CONCURRENT  
19 ENROLLMENT. When a student registers at more than one public  
20 institution of higher education at the same time, his tuition  
21 charges shall be determined in the following manner:

22 (1) The student shall pay the full tuition charge to  
23 the first institution at which he is registered; and in any event he  
24 shall pay an amount at least equal to the minimum tuition specified  
25 in this code.

26 (2) If the minimum tuition specified in this code for  
27 the first institution at which the student is registered is equal to

1 or greater than the minimum tuition specified in this code for the  
2 second institution at which the student is registered concurrently,  
3 the student shall not be required to pay the specified minimum  
4 tuition charge to the second institution in addition to the tuition  
5 charge paid to the first institution, but shall pay only the hourly  
6 rates, as provided in this code, to the second institution.

7 (3) If the minimum tuition specified in this code for  
8 the first institution at which the student is registered is less  
9 than the specified minimum tuition charge at the second institution  
10 (that is, if the second institution has a higher minimum tuition  
11 charge specified in this code), then the student shall first  
12 register at the institution having the lower minimum tuition and  
13 shall pay to the second institution only the amount equal to the  
14 difference between his total tuition charge at the second  
15 institution and his total tuition charge at the first institution,  
16 but in no case shall the student pay to the second institution less  
17 than the hourly rates as provided in this code.

18 (4) If a student is considered to be a Texas resident  
19 and therefore qualified to pay Texas resident tuition rates by one  
20 institution at which he is registered, that student shall be  
21 considered a Texas resident at each of the institutions at which he  
22 is concurrently registered for the purposes of determining the  
23 proper tuition charges. Nothing in this subdivision [~~subsection~~]  
24 shall be so construed as to allow a nonresident to pay resident  
25 tuition except at institutions covered by Section 54.060 of this  
26 code.

27 Sec. 54.012 [~~54.066~~]. TUITION RATES FOR CERTAIN DOCTORAL

1 STUDENTS. The governing board of an institution of higher  
2 education may charge a resident doctoral student who has more  
3 semester credit hours of doctoral work than allowed for purposes of  
4 state funding for the current state fiscal biennium under Section  
5 61.059(1) tuition at the rate charged nonresident doctoral  
6 students. Tuition charged at the rate provided by this section  
7 shall be accounted for as if collected under Section 54.008.

8 Sec. 54.013 [~~54.067~~]. STUDENTS 55 YEARS OF AGE OR OLDER.

9 (a) An institution of higher education may charge a student 55  
10 years of age or older tuition and fees at rates that are lower than  
11 the rates otherwise provided by this chapter, under the condition  
12 that a student under 55 years of age will not be precluded from  
13 enrolling in a course for credit toward a degree or certificate.  
14 The institution may set additional qualifications that a student  
15 must meet to qualify for tuition and fees at rates set under this  
16 section and may set different rates for different programs,  
17 campuses, or courses. The institution may set rates under this  
18 section for resident students, nonresident students, or both, and  
19 may set different rates for resident students and nonresident  
20 students.

21 (b) A tuition or fee rate set under this section must apply  
22 uniformly to each student that meets the applicable qualifications  
23 set by the institution to pay tuition or fees at that rate.

24 (c) The legislature in an appropriations act shall account  
25 for the rates authorized by Subsection (a) in a way that does not  
26 increase the general revenue appropriations to that institution.

27 Sec. 54.014 [~~54.068~~]. TUITION FOR EXCESSIVE UNDERGRADUATE

1 HOURS. (a) An institution of higher education may charge a  
2 resident undergraduate student tuition at a higher rate than the  
3 rate charged to other resident undergraduate students, not to  
4 exceed the rate charged to nonresident undergraduate students, if  
5 before the semester or other academic session begins the student  
6 has previously attempted a number of semester credit hours for  
7 courses taken at any institution of higher education while  
8 classified as a resident student for tuition purposes that exceeds  
9 by at least 45 hours the number of semester credit hours required  
10 for completion of the degree program in which the student is  
11 enrolled. For purposes of this subsection, an undergraduate  
12 student who is not enrolled in a degree program is considered to be  
13 enrolled in a degree program requiring a minimum of 120 semester  
14 credit hours.

15 (b) Semester credit hours or other credit listed in Section  
16 61.0595(d) is not counted in determining the number of semester  
17 credit hours previously attempted by a student for purposes of  
18 Subsection (a).

19 (c) Subsection (a) does not apply to the tuition charged to  
20 a student who initially enrolled as an undergraduate student in an  
21 institution of higher education before the 1999 fall semester.

22 (d) In its appropriations to institutions of higher  
23 education, the legislature shall compute the local funds available  
24 to each institution as if the tuition collected under Subsection  
25 (a) were not collected.

26 (e) Each institution of higher education shall inform each  
27 new undergraduate student enrolling at the institution in writing

1 of the limitation provided by this section on the number of hours  
2 that a Texas resident is entitled to complete while paying tuition  
3 at the rate provided for Texas residents.

4 Sec. 54.015 [~~54.071~~]. BILLING AND NOTIFICATION FOR TUITION.  
5 For billing and catalogue purposes, each governing board shall  
6 accumulate all the tuition that it charges under this chapter  
7 [~~subchapter~~] into one tuition charge.

8 Sec. 54.016 [~~54.072~~]. FLAT RATE TUITION PILOT PROJECT.

9 (a) In this section, "tuition" means all academic program costs  
10 related to enrollment in an academic course or degree program that  
11 are charged to a student, including all charges designated as  
12 tuition, mandatory fees, and incidental fees. The term does not  
13 include voluntary fees.

14 (b) Notwithstanding any other provision of this chapter,  
15 the board of regents of The University of Texas System may establish  
16 a pilot project at The University of Texas at Austin involving not  
17 more than two colleges or degree programs designated by the board of  
18 regents under which the university charges the same amount of  
19 tuition to all undergraduate students enrolled in a college or  
20 degree program included in the pilot project.

21 (c) The board of regents may not require a full-time student  
22 who pays tuition under the pilot project to pay more tuition than  
23 the average amount of tuition that a student not included in the  
24 pilot project would pay for enrolling in the university for 14  
25 semester credit hours for the same semester or term.

26 (d) The board of regents shall evaluate the effect of flat  
27 rate tuition charged under the pilot project on the number of

1 semester credit hours taken by students included in the project  
2 each semester. The board shall report the results of the evaluation  
3 to the legislature not later than December 31, 2002, and December  
4 31, 2004.

5 (e) This section expires September 1, 2005.
