1-10 relating to the creation of the West Ranch Management District;  
1-11 providing authority to impose a tax and issue a bond or similar  
1-12 obligation and granting a limited power of eminent domain.

1-13 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

1-14 SECTION 1. WEST RANCH MANAGEMENT DISTRICT. Subtitle C,  
1-15 Title 4, Special District Local Laws Code, is amended by adding  
1-16 Chapter 3837 to read as follows:

1-17 CHAPTER 3837. WEST RANCH MANAGEMENT DISTRICT

1-18 SUBCHAPTER A. GENERAL PROVISIONS

1-19 Sec. 3837.001. DEFINITIONS. In this chapter:

1-20 (1) "Board" means the board of directors of the  
1-21 district.

1-22 (2) "District" means the West Ranch Management  
1-23 District.

1-24 Sec. 3837.002. WEST RANCH MANAGEMENT DISTRICT. The West  
1-25 Ranch Management District is a special district created under  
1-26 Section 59, Article XVI, Texas Constitution.

1-27 Sec. 3837.003. PURPOSE; DECLARATION OF INTENT. (a) The  
1-28 creation of the district is essential to accomplish the purposes of  
1-29 Sections 52 and 52-a, Article III, and Section 59, Article XVI,  
1-30 Texas Constitution, and other public purposes stated in this  
1-31 chapter. By creating the district and in authorizing the City of  
1-32 Friendswood, Galveston and Harris Counties, and other political  
1-33 subdivisions to contract with the district, the legislature has  
1-34 established a program to accomplish the public purposes set out in  
1-35 Section 52-a, Article III, Texas Constitution.

1-36 (b) The creation of the district is necessary to promote,  
1-37 develop, encourage, and maintain employment, commerce,  
1-38 transportation, housing, tourism, recreation, the arts,  
1-39 entertainment, economic development, education, safety, and the  
1-40 public welfare in the district.

1-41 (c) This chapter and the creation of the district may not be  
1-42 interpreted to relieve Galveston and Harris Counties and the City  
1-43 of Friendswood from providing the level of services provided as of  
1-44 the effective date of the Act enacting this chapter, to the area in  
1-45 the district. The district is created to supplement and not to  
1-46 supplant the county or city services provided in the area in the  
1-47 district.

1-48 Sec. 3837.004. FINDINGS OF BENEFIT AND PUBLIC PURPOSE. (a)  
1-49 The district is created to serve a public use and benefit.

1-50 (b) All land and other property included in the district  
1-51 will benefit from the improvements and services to be provided by  
1-52 the district under powers conferred by Sections 52 and 52-a,  
1-53 Article III, and Section 59, Article XVI, Texas Constitution, and  
1-54 other powers granted under this chapter.

1-55 (c) The creation of the district is in the public interest  
1-56 and is essential to:

1-57 (1) further the public purposes of developing and  
1-58 diversifying the economy of the state;

1-59 (2) eliminate unemployment and underemployment; and

1-60 (3) develop or expand transportation and commerce.

1-61 (d) The district will:

1-62 (1) promote the health, safety, education, and general  
1-63 welfare of residents, employers, potential employees, employees,

visitors, and consumers in the district, and of the public;  
(2) provide needed funding for the district to preserve, maintain, and enhance the economic health and vitality of the district territory as a community and business center; and

(3) promote the health, safety, welfare, education, and enjoyment of the public by providing pedestrian ways and by landscaping and developing certain areas in the district, which are necessary for the restoration, preservation, and enhancement of scenic beauty.

(e) Pedestrian ways along or across a street, whether at grade or above or below the surface, and street lighting, street landscaping, parking, and street art objects are parts of and necessary components of a street and are considered to be a street or road improvement.

(f) The district will not act as the agent or instrumentality of any private interest even though the district will benefit many private interests as well as the public.

Sec. 3837.005. DISTRICT TERRITORY. (a) The district is composed of the territory described by Section 2 of the Act enacting this chapter, as that territory may have been modified under:

- (1) Subchapter J, Chapter 49, Water Code; or
- (2) other law.

(b) The boundaries and field notes of the district contained in Section 2 of the Act enacting this chapter form a closure. A mistake in the field notes or in copying the field notes in the legislative process does not in any way affect the district's:

- (1) organization, existence, or validity;
- (2) right to issue any type of bond for a purpose for which the district is created or to pay the principal of and interest on the bond;
- (3) right to impose or collect an assessment or tax; or
- (4) legality or operation.

Sec. 3837.006. ELIGIBILITY FOR INCLUSION IN SPECIAL ZONES. All or any part of the area of the district is eligible to be included in:

- (3) an enterprise zone created by a municipality under Chapter 2303, Government Code.

Sec. 3837.007. APPLICABILITY OF MUNICIPAL MANAGEMENT DISTRICTS LAW. Except as otherwise provided by this chapter, Chapter 375, Local Government Code, applies to the district.

Sec. 3837.008. LIBERAL CONSTRUCTION OF CHAPTER. This chapter shall be liberally construed in conformity with the findings and purposes stated in this chapter.
