(a) A board may transfer to a municipality the corporation's assets and liabilities in accordance with the corporation's written request for the municipality to take over the management of the corporation's water supply system.

(b) On favorable action of the municipality, the board shall

1 notify the executive director and request an order of dissolution.

2 (c) The board shall provide the executive director with any

22 confirmed as of the date they were taken, adopted, authorized,
23 issued, entered into, or delivered and shall be treated as though
24 they had originally been authorized and accomplished in accordance
25 with law.

26 (c) An act, resolution, order, instrument, obligation, or
