

SENATE RESOLUTION NO. 932

WHEREAS, The Senate of the State of Texas is pleased to recognize the Nueces Canyon High School Robotics Team, which recently won the Division I state championship title in the Texas State Robotics Competition; and

WHEREAS, In the competition, each team began with an identical starting kit consisting of a programmable device, wires, motors, sensors, gears, wheels, and other assorted parts; each team was then required to solve a problem with a theme related to micro-medical robots; and

WHEREAS, This year, the contest was titled "Ping Pong Virus--Can You Save the Immune System in Time?"; operating under great pressure and with limited time, team members worked together to creatively solve the problem; their programming featured a large amount of variability based on input from many sources, and their robot played music while performing its work; and

WHEREAS, Team members Beth Bingham, Coby Jackman, Ben Johnson, Leonard Lee Morgan III, and James White have demonstrated great talent and perseverance throughout the school year, ending the year undefeated in all their matches; and

WHEREAS, Under the outstanding leadership of sponsors Tena Morgan and Louis Webb, the squad members have developed exceptional teamwork, discipline, and sportsmanship, and they are truly deserving of recognition; now, therefore, be it

RESOLVED, That the Senate of the State of Texas, 79th Legislature, hereby commend the Nueces Canyon High School Robotics Team for winning the Division I state championship title; and, be it further

RESOLVED, That a copy of this Resolution be prepared for them as an expression of esteem from the Texas Senate.

Madla

President of the Senate

I hereby certify that the above Resolution was adopted by the Senate on May 17, 2005.
