--

The bill would require the Department of Family and Protective Services to establish a child protective services local oversight council pilot program in Bexar County. It would require the council to submit a report concerning the effectiveness of the pilot program to the Legislature no later than January 1, 2007, and abolish the council on September 1, 2007.

**Local Government Impact**

Because the bill would not have statewide impact on units of local government of the same type or class, no comment from this office is required by the rules of the House as to its probable fiscal implication on units of local government.
