

**LEGISLATIVE BUDGET BOARD**  
**Austin, Texas**

**FISCAL NOTE, 79TH LEGISLATIVE REGULAR SESSION**

**April 27, 2005**

**TO:** Honorable Kenneth Armbrister, Chair, Senate Committee on Natural Resources

**FROM:** John S. O'Brien, Deputy Director, Legislative Budget Board

**IN RE: HB380** by West, George "Buddy" (Relating to oil and gas well plugging insurance policies.),  
**As Engrossed**

**No significant fiscal implication to the State is anticipated.**

The bill would provide an additional provision for oil and gas well operators to meet financial assurance requirements, allowing operators to obtain well-specific insurance policies. The Railroad Commission reports that this would require additional computer programming costs. However, these costs are not expected to be significant, nor is it expected that the bill would have any significant revenue implication to the State.

**Local Government Impact**

No fiscal implication to units of local government is anticipated.
