**TO:** Honorable Todd Staples, Chair, Senate Committee on Transportation & Homeland Security

**IN RE: HB749** by Jones, Delwin (Relating to size and weight limitations for certain vehicles transporting agricultural products and equipment.), **As Engrossed**

<p><b>No significant fiscal implication to the State is anticipated.</b></p>
--

The bill would amend Chapter 622 of the Transportation Code to exempt from the weight limitations established in Section 621.101, Transportation Code, all vehicles used to transport chili peppers, seed cotton, or equipment used to transport or process chili peppers or seed cotton to the place of first processing.

Based on the analysis of the Texas Department of Transportation, it is assumed the provisions of the bill would have no significant fiscal impact on revenue collections from permit fees.

The bill would be effective on September 1, 2005.

**Local Government Impact**

No significant fiscal implication to units of local government is anticipated.
