**FISCAL NOTE, 79TH LEGISLATIVE REGULAR SESSION**

**May 21, 2005**

**TO:** Honorable Florence Shapiro, Chair, Senate Committee on Education

**FROM:** John S. O'Brien, Deputy Director, Legislative Budget Board

**IN RE: HB1172** by Brown, Fred (Relating to policies and measures to promote timely graduation of students from public institutions of higher education. ), **Committee Report 2nd House, Substituted**

**No significant fiscal implication to the State is anticipated.**

The bill would require the president of each general academic teaching institution to annually provide, no later than November 1 of each year, to the Texas Higher Education Coordinating Board a report describing the institution's efforts regarding timely graduation of undergraduate students.

The bill would reduce the undergraduate funding cap and allow universities to charge non-resident tuition to students who exceed the funding cap. The current funding cap is 45 semester credit hours (SCH) above the degree requirement; the new funding cap would be 30 hours. The bill also directs the degree length to include minors, double majors, certificates, special programs, and study-abroad programs. The bill would only apply to those students who initially enroll as an undergraduate student in the Fall 2006.

It is assumed that the duties and responsibilities associated with implementing the provisions of the bill could be accomplished by utilizing existing resources.

The bill would take effect September 1, 2005.

**Local Government Impact**

No significant fiscal implication to units of local government is anticipated.
