

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 79TH LEGISLATIVE REGULAR SESSION

May 11, 2005

TO: Honorable Kenneth Armbrister, Chair, Senate Committee on Natural Resources

FROM: John S. O'Brien, Deputy Director, Legislative Budget Board

IN RE: HB1358 by Flores (Relating to the jurisdiction of the Texas Commission on Environmental Quality over certain water supply or sewer service corporations.), **As Engrossed**

<p>No significant fiscal implication to the State is anticipated.</p>
--

The bill would provide the Texas Commission on Environmental Quality (TCEQ) with the same jurisdiction over a water supply or sewer service corporation (WSC) as it does over an investor-owned utility if the corporation is failing to conduct annual or special meetings or is not complying with requirements for classification as a nonprofit water supply or sewer service.

The TCEQ anticipates that the bill's passage could increase the number of rate cases the agency handles, and passage of the bill would require rulemaking by the TCEQ. However, any increased workload is expected to be handled using existing agency resources.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
