**Austin, Texas**

**FISCAL NOTE, 79TH LEGISLATIVE REGULAR SESSION**

**May 18, 2005**

**TO:** Honorable Rodney Ellis, Chair, Senate Committee on Government Organization

**FROM:** John S. O'Brien, Deputy Director, Legislative Budget Board

**IN RE: HB1413** by Truitt (Relating to the continuation and functions of the Texas State Board of Examiners of Marriage and Family Therapists.), **As Engrossed**

<b>No significant fiscal implication to the State is anticipated.</b>
---

The bill would continue the Texas State Board of Examiners of Marriage and Family Therapists, which is administratively attached to the Department of State Health Services, and the regulation of marriage and family therapists through 2017. The bill would eliminate per diem for Board members, require applicants to pass a jurisprudence exam, remove exemptions for non-Texas residents to practice without a temporary license, eliminate the current late renewal penalty structure, and add a penalty structure for delinquent renewals based on the renewal fee. Eliminating the per diem would result in a small savings to General Revenue. DSHS indicates the change in the late renewal penalty structure would result in an estimated loss of approximately \$16,000 in General Revenue annually.

**Local Government Impact**

No fiscal implication to units of local government is anticipated.
