

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 79TH LEGISLATIVE REGULAR SESSION

May 17, 2005

TO: Honorable Tom Craddick, Speaker of the House, House of Representatives

FROM: John S. O'Brien, Deputy Director, Legislative Budget Board

IN RE: HB1544 by Dawson (Relating to removal of corneal tissue from a decedent; providing penalties.), **As Passed 2nd House**

No fiscal implication to the State is anticipated.

The bill repeals Subchapter B, Chapter 693, Health and Safety Code, which defines circumstances under which corneal tissue may be removed from a decedent and identifies persons who may object to such removal. The bill also repeals Subchapter B, Section 521.405, Transportation Code, which relates to the actions of organ or tissue procurement organizations and medical examiners regarding organ or tissue donation. The bill adds language authorizing certain officials to permit removal of corneal tissue from a decedent. The bill would authorize the Attorney General to sue to collect civil penalties from a person who removes corneal tissue from a decedent knowing that a gift authorizing the removal has not been made or from a person who accepts corneal tissues removed from a decedent knowing a gift authorizing the removal has not been made. The Office of the Attorney General does not anticipate any fiscal impact from the provisions of the bill.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
