

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 79TH LEGISLATIVE REGULAR SESSION

May 17, 2005

TO: Honorable Tom Craddick, Speaker of the House, House of Representatives

FROM: John S. O'Brien, Deputy Director, Legislative Budget Board

IN RE: HB1573 by Geren (Relating to the definition of the practice of architecture and to certificates of merit for design professionals.), **As Passed 2nd House**

No fiscal implication to the State is anticipated.

The bill would amend the Occupations Code to expand the definition of architecture and would require the Board of Architectural Examiners to regulate registered architects in new areas. The Board of Architectural Examiners assumes that there would be an increase in case load involving unregistered persons subject to discipline for practicing architecture without registration.

Because the Texas Board of Architectural Examiners participates in the Self-Directed, Semi-Independent program, any fiscal impact would be to the agency's operating fund held outside the state treasury.

The bill would take effect September 1, 2005.

Local Government Impact

No fiscal implication to units of local government is anticipated.
