

**LEGISLATIVE BUDGET BOARD**  
**Austin, Texas**

**FISCAL NOTE, 79TH LEGISLATIVE REGULAR SESSION**

**May 16, 2005**

**TO:** Honorable Todd Staples, Chair, Senate Committee on Transportation & Homeland Security

**FROM:** John S. O'Brien, Deputy Director, Legislative Budget Board

**IN RE: HB2257** by Gallego (Relating to the speed limit on certain highways in rural counties.), **As Engrossed**

**No significant fiscal implication to the State is anticipated.**

The bill would amend the Transportation Code to increase from 75 to 80 miles-per-hour the existing maximum daytime speed limit on portions of Interstate Highway 10 and Interstate Highway 20 located in the counties of Crockett, Culberson, Hudspeth, Jeff Davis, Kerr, Kimble, Pecos, Reeves, Sutton, or Ward if the Texas Transportation Commission determines it to be a safe and reasonable speed for that part of the highway system.

Based on the analysis of the Texas Department of Transportation, it is assumed any costs and duties associated with implementing the provisions of the bill could be absorbed within existing resources.

The bill would take effect immediately upon receiving a vote of two-thirds of all members elected to each house or otherwise on September 1, 2005.

**Local Government Impact**

No significant fiscal implication to units of local government is anticipated.
