**IN RE: HB2314** by Miller (Relating to increases in the recreational sports fee at component institutions of The Texas A&M University System.), **As Introduced**

**Local Government Impact**

Under provisions of the bill, the components of the Texas A&M University System are authorized to increase the recreational sports fee up to 10 percent each academic year. The amount of revenue generated by the fee increase, locally assessed the institutions, would depend on the amount of increase assessed by the University and could increase with enrollment growth.
