**FISCAL NOTE, 79TH LEGISLATIVE REGULAR SESSION**

**March 29, 2005**

**TO:** Honorable Mary Denny, Chair, House Committee on Elections

**FROM:** John S. O'Brien, Deputy Director, Legislative Budget Board

**IN RE: HB2322** by Anchia (Relating to the electronic administration of state funds used for voter registration.), **As Introduced**

**No significant fiscal implication to the State is anticipated.**

The bill would amend Election Code to require the Secretary of State to establish and maintain an online electronic system for administering voucher submissions and warrant issuances related to voter registration financing. It is anticipated that existing resources could absorb any costs required to implement the provisions of the bill.

**Local Government Impact**

Costs to local election registrars to implement the provisions of the bill would depend upon the online electronic system designed and operated by the Office of the Secretary of State. Initial outlays for computer equipment could possibly be offset by savings on postage.
