FISCAL NOTE, 79TH LEGISLATIVE REGULAR SESSION

March 21, 2005

TO: Honorable Ray Allen, Chair, House Committee on County Affairs

FROM: John S. O'Brien, Deputy Director, Legislative Budget Board

IN RE: HB2695 by Anchia (Relating to allowing a county to consider health insurance benefits provided by a bidder to its employees when awarding a purchasing contract.), **As Introduced**

No fiscal implication to the State is anticipated.

The bill would authorize a county to give preference to a bidder whose bid is within 5 percent of the lowest bid if the bidder provides comparable health insurance coverage to its employees as that provided to the county's employees and requires its subcontractors to provide comparable coverage as well. The bill would allow a county to reject all bids. The bill would take effect September 1, 2005 and would apply only to a contract awarded on or after that date.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
